The message was received with great favor, and referred to the Committee on Foreign Affairs.

festing his cargo in transitu as ballast. Such, it ap- well is in prison. pears, had been the custom during the nineteen months for which the Warrior had been running, and no objection had previously been made. Finding the difficulty to exist in regard to the manifest, echoes, which is quite interesting : Mr. Ting, the agent of the boat, sent his clerk to the Custom House to amend it, but the collector refused chasms, through which a way was practicable to to admit it being done, although the twelve hours al. broader caverns within. In the crystal solitudes lowed by law had not elapsed.

What importance attaches to the rumours of satisfaction and indemnity having been offered by Spain, the clang of a ramrod was heard running down the we can hardly tell. Perhaps this may yet be done, but we opine that the reports of it having been already done, are, so far, premature. Let us wait a little and see.

Trade of New Orleans.

them with the exports for a similar period, during the year preceding. In cotton, there is a large falling off the present season: showing a total of 658,018; season. Sugar has increased from 54,770 to 94,548 Austria sides with the Western powers. hhds. Molasses from 59,093 to 151,522 bbls. In flour there is an increase from 268,184 to 423,138, while in provisions there is a marked falling off; pork ed to thirty thousand bales. having declined from 121,904 to 63,581 bbls.; bacon from 25,954 to 14,704 casks; lard from 489,913 to 358,977 kegs; beef from 53,009 to 9,531 bbls. Lead has fallen from 50,566 to 9,738 pigs. Whiskey from ate Principalities the 30th of April. 39,456 to 25,514 bbls., and corn has slightly increased from 361,263 to 365,940 sacks.

Upon the whole, the present has not been a fortunate year for New Orleans. With the slight excep- sian paper says the Czar's answer to Napoleon, will for, as a speaker from the rostrum, we do not believe tions of tobacco, flour, sugar and molasses, there have be nearly as follows been a very marked decrease. It is true that the aggregate amount of cotton received at all the ports in the United States, has exhibited a falling off for the vear, but not at all in the same proportion. The ed of in his letter. Let the French fleet prevent the guilty of in seeking to disfranchise our county of its year, but not at all in the same proportion. The yellow fever has operated disastrously, and the rail- Turks from transporting reinforcements to the thearoads everywhere penetrating the west, and connecting it with the Atlantic Seaboard, has diverted to the acter eastern cities a vast amount of produce that used to descend the Mississippi to New Orleans. So true it ence at Vienna, are the sole basis on which I will is, that no city, no matter how great its natural advantages may be, can depend upon them alone. If "eternal vigilance is the price of liberty" eternal compel Russia to evacuate the Principalities. watchfulness and energy are equally that of commercial prosperity. It is a constant race of which the goal is never won, nor the necessity for exertion at

LORD RAGLAN.-It appears that the Lord Ragian. who is to take command of the British troops intended for the East, is the same with Lord Fitzroy Sommerset, son of the fifth Duke of Beaufort. He has been fifty years in military service, having acted as Aid de Camp and Military Secretary to the Duke of Wellington throughout the Peninsular war, and distinguished himself at Fuentes d'Onore, Badajos, Salamanca, Vittoria, and other leading battles. He also served in Flanders, and at Waterloo lost an arm.

The name is familiar to the reader of the history of Wellington's Campaigns or Lever's Novels, but the miserable title, which means nothing, hides the man who had really achieved something of a reputation. No wonder William Pitt disdained to bury his mighty name under a miserable peerage.

GREAT LOSS OF LIFE .- The steamers Star of the West and George Law have arrived at New York with about a million dollars in gold and a large num- gain throughout the State. ber of passengers. Twenty-four persons were drowned on the 1st inst., in Virgin Bay Lake, Nicaragua, by the upsetting of the small boat on which the passengers were conveyed from the shore to the steamer All the strong coalition towns are heard from and if and important province to Mexico. For this sacrifice provided to carry them across the Lake. It is stated the vote in the others came in as last year, the dem. Great Britain will receive indemnity in the shape of E. J. Lutterloh. that the boat was greatly overcrowded, and many of ocrats will have 35 majority in the House.
